2011: A Year of Thanksgiving

For 2011, we are focusing our efforts on being truly thankful, giving God the glory that He deserves, and fixing our eyes on Jesus and not on our circumstances!

*"I will praise God's name
in song and glorify him
with thanksgiving!"
~(Ps 69:30)*

"...give thanks in all circumstances; for this is God's will for you in Christ Jesus." (1Th 5:18)

today

Welcome guests! It's our hope that while you are here you will connect with Jesus in a personal way as you experience the realness of His presence! We believe that God is less concerned about how good you can sing, how well you are dressed, or your religious IQ, but instead we understand Him to be more concerned with tugging on the strings of your heart. Why not keep an open mind to the message today, and let the atmosphere of worship encourage you! We often stand during worship but if you find that difficult, please feel free to sit down! Thanks for joining us and we hope that you have a great time at church this morning!
