

Dear Parent,

Christmas is fast approaching and we've got lots of fun things happening in our Kids Ministry and we wanted to let you in on everything!

This year we wanted to put more of a focus on giving and reaching out in our community - even as kids there is lots we can do to help and make a difference. Starting Sunday, November 14th 2010, we will be collecting mittens, scarves and hats for our "Mitten Tree." We will be taking the next several weeks to collect these warm winter items and each week we'll be hanging them on our "mitten tree." Before Christmas we will be donating all that we've collected to our local Mission to help families keep warm this winter! So please, if you have some extras at home that aren't being used (and are in good condition) or you can afford to pick up an extra hat or pair of gloves - we know there are many families in Sudbury that will greatly appreciate it this winter! Help our kids help others this Christmas Season.

Also, our kids will be performing a skit (7-11 year olds) and a few songs (3-6 year olds) during the morning Service on Sunday, December 12th 2010. We will be taking time each week on Sunday mornings to practice, but if your child has lines to memorize we would appreciate you helping them at home during the week. We will begin practicing and kids will receive their parts November 14th. Every Child will get a copy of the skit to practice at home, along with what they'll need for a costume. Our little ones will also start practicing their songs soon as part of their program on Sunday mornings. We will let you know about how they can dress up the day of, in the coming weeks. So please mark the date - and invite some friends and family out to church that Sunday to see our kids!

If you have any questions or concerns please don't hesitate to contact me. Wishing you a wonderful Christmas Season!
